Description: Can the common criminal get a fresh start? An essential resource for former convicts and their families post-incarceration. The United States has the largest criminal justice system in the world, with currently over 7 million adults and juveniles in jail, prison, or community custody. Because they spend enough time in prison to disrupt their connections...

Review: I sent this to a prison pen pal and he's read through it twice. I've read through it once and it is very well written. The author doesn't pull any punches, he gives a realistic view of the challenges that an ex-inmate will face upon release. There are parts that will break your heart if you have a loved one in prison knowing how hard life is going to...
